Digital Eco Leadership –

Second meeting of project partners in Skopje

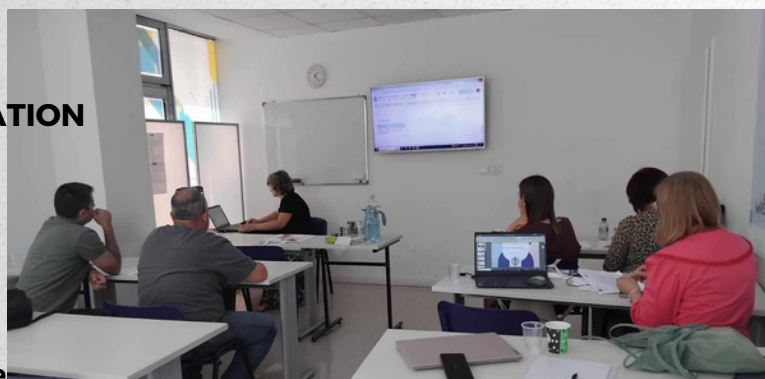

Digital Eco Leadership –

Second meeting of project partners

The second meeting of partners within the framework of the project from the Erasmus+ program, Digital Eco Leadership, is being held in Skopje at the premises of the Private High School SABA.

At this meeting, future activities that need to be implemented were established for the successful completion of this project. Deadlines were established for the completion of the first part of this project and how the preparatory teaching should be carried out after the completed modules and IO1.

Partners are schools from Macedonia, Romania, Portugal, Spain and Turkey.

Partners Organizations:

SABA, Skopje, North Macedonia

Calistrat Hogaș National College, Piatra Neamț,
Romania

Asociația Demetrius, Iași, Romania

TeneLearning, Puerto de la Cruz, Spain

Araxa Edu, Eskişehir, Türkiye

Agrupamento de Escolas Eça de Queirós, Lisbon,
Portugal
